Subject: Webinar on “Export Finance, Government Schemes, and Banking Services for Apparel Exporters”

The Apparel Export Promotion Council (AEPC), in association with the Axis Bank, is organizing a webinar on “Export Finance, Government Schemes, and Banking Services for Apparel Exporters”.

The webinar will provide an opportunity for exporters to understand pre-shipment and post-shipment financing facilities, trade finance products, banking services, government schemes, credit support and risk management measures relevant to the apparel export sector.

The key topics to be covered during the webinar include:

- Export Financing: interest subvention scheme and other schemes of government.
- Banking Services for Exporters: Trade finance products, transaction banking services, documentation requirements and other banking solutions for exporters.
- Credit Support and Risk Management: Credit facilities, risk mitigation measures and mechanisms to manage risks associated with international trade.
- Foreign Exchange Services: Foreign exchange-related services, management of export proceeds and key aspects of international trade transactions.

The program details are given below:

- Date: 16 October 2026 (Friday)
- Time: 3:00 PM – 4:00 PM (IST)
