Sub: Webinar on “Logistics e-Marketplace Enabling Growth for Apparel Exporters”

Dear Member Exporters,

The Apparel Export Promotion Council (AEPC), in collaboration with NICDC Logistics Data Services Limited (NLDSL), is pleased to organize a webinar on “Logistics e-Marketplace Enabling Growth for Apparel Exporters” for members.

With the rapid growth of e-commerce and digital trade, efficient logistics and transparent access to logistics services are increasingly important for export competitiveness. The webinar will introduce the concept of a Logistics e-Marketplace (LeMP), a centralized digital platform designed to bring exporters, importers, logistics service providers and other stakeholders together for seamless and efficient engagement.

The webinar will give valuable insights and guidance to participants on:

- Understanding how a unified logistics e-marketplace can simplify the discovery, comparison, and engagement of logistics service providers.
- Identifying the regulatory documents required based on the HSN code and shipment destination.
- Learning about the digital exchange of logistics documents, including shipping bills, e-invoices, and electronic bills of lading.

Details of the Webinar:

- Date: 16th September, 2026 (Wednesday)
- Time: 3:00 PM to 4:00 PM (IST)
